Cross Border Summit 2019 in Guangzhou China is kicking off next Tuesday morning 9am at Meho's Home in T.I.T Creative Park in downtown, Guangzhou.

Common questions:

T.I.T. Park is big, where is Meho's Home - it is a nice cafe we took over for the venue, we will have people at various entrances of the park to help you find it, or you can download this PDF and show this to the security guard when you arrive so they can point you in the right direction. While the park is big, it is only about 5 to 10 minutes max from 1 side to the other.
